Output conveyor for neat & sequential stacking

LCD control panel with resettable counter

Clearly marked fold plates for quick and easy setup

The **FD 314 Office Desktop Folder** provides user-friendly controls in a rugged, compact unit. Clearly-marked fold settings and push-button operation make it easy to use, right out of the box. It's capable of folding 11" and 14" paper at speeds up to 7,700 sheets per hour, with a hopper capacity of up to 250 sheets.

Fold plates are pre-marked with four common fold settings - letter, zig-zag, half and double parallel - and can be easily adjusted for custom folds. The LCD control panel includes a resettable 3-digit counter, and AutoBatch for processing a set number of sheets with a pause between sets. The built-in output conveyor features easily adjustable stacker wheels for neat, sequential stacking of folded pieces.

The compact size and push-button operation make the FD 314 ideal for churches, schools, and offices that demand quick and easy set-up with minimal adjustment.
